Putin plotting vote to ban gay marriage

RUSSIAN President Vladimir Putin wants marriage to be defined as the union of a man and woman in a revised constitution, ruling out gay marriage.

It is among several constitutional amendments proposed by Mr Putin which will be put to a public vote.

Critics see the proposals as a move by Mr Putin (above) to keep a hold on power after his presidential term ends in 2024.

The package includes a proclamation of Russians' faith in God and a ban on giving away any Russian territory.

The ban would strengthen Russia's hold on Crimea – a Ukrainian region it annexed in 2014 – and the Kuril Islands, disputed with Japan since World War Two, according to Vladimir Mashkov, who is involved in drafting the new constitution.

Now it's £9.15 for a prescription!

THE prescription charge in England will increase by 15p on April 1 in line with inflation.

The Government announced the charge will rise from £9 to £9.15 for each medicine or appliance dispensed.

Charges for wigs and fabric supports will also rise in line with inflation.

The cost of surgical bras will rise to £30.05, abdominal or spinal supports to £45.35, stock-size modacrylic wigs will increase to £74.15, partial human hair wigs will now cost £196.40 and full bespoke human hair wigs will rise to £287.20.

NO TIME TO DIE! Scared Bond fans want delay to release of movie

JAMES Bond fans have called for the release of *No Time To Die* to be delayed because of the coronavirus outbreak.

The movie, which will feature Daniel Craig in his final outing as 007, will be shown in UK cinemas from April 3.

But the fan site MI6, which claims to be the world's most visited unofficial James Bond website, has said the film should not be released until the summer.

In an open letter on the site,

signed off by co-founder James Page, the fan group calls on production companies MGM, Eon and Universal to "put public health above marketing release schedules".

The movie has its world premiere at the Royal Albert Hall in London on March 31.

The letter states: "Hundreds of fans and celebrities from around the world will be flying to the UK to attend."

"The Royal Albert Hall capacity is above the 5,000 limit

that affected countries are banning for public gatherings.

"Just one person, who may not even show symptoms, could infect the rest of the audience."

"This is not the type of publicity anyone wants."

There have so far been 39 confirmed coronavirus cases in the UK, with the prospect of large gatherings of people being banned to contain the disease.

France has banned all public gatherings with more than 5,000 people in a confined space.

Don't panic!

Boris insists it's all under control ...but Army are ready to step in

POLICE could ignore low-level crime and troops could be deployed on the streets as part of the government's dramatic three-month 'battle plan' if coronavirus takes hold in the UK.

There are also warnings that coronavirus could incapacitate a fifth of the workforce. Patients not suffering from the disease could also be sent home from hospital – and local authorities will be helped with the 'challenge' of dealing with increasing numbers of deaths among the elderly and vulnerable.

The striking scenario emerged as Boris Johnson published the action plan, warning at a press conference that it was now 'highly likely' there would be a major outbreak of coronavirus in the UK.

The Prime Minister said the government would take all 'necessary and reasonable steps', but appealed for the public to keep 'going about our business as usual' – saying Britain had the resources and the resolve to 'get through' this 'national challenge'.

Asked whether he thought the UK still had the 'bulldog spirit' to combat the virus, the PM said: "I do think that this is a national challenge."

"The potential is there for this to be something

By COLIN HURST

BATTLE READY: We could see troops on streets

that our country has to get through.

"But I have absolutely no doubt that we have the resources, we have the health service to get through it."

The response is still in the 'containment' phase, with just 39 confirmed cases in the UK so far.

But experts fear a need to shift to damage

limitation within days or weeks after rising infections in Europe.

A reasonable 'worst case scenario' would see 80 per cent of the UK population contract the virus, with up to a fifth of employees unable to work in 'peak weeks'.

Such an outbreak may take hold within weeks – and it would be three

months before its highest point was reached.

Mr Johnson said the plan was to 'contain, delay, research, mitigate'.

"For the overwhelming majority of people who contract the virus, this will be a mild disease from which they will speedily and fully recover, as we have already seen," he said.

Greggs pay vow if staff forced to self-isolate

GREGGS boss Roger Whiteside has said his firm would pay staff who have to self-isolate because of coronavirus.

"Our default position is that we pay contract hours. We don't have any zero contract hours," he told BBC's *Today*.

The firm's policy is in contrast to some other firms, which say they will only pay the legal minimum.

But Mr Whiteside said Greggs' policy could be reviewed if coronavirus became a "big problem".

The comments came as Greggs posted a 13.5 per cent rise in 2019 sales to £1.168 billion.

The chain's success was helped by the popularity of its new vegan range, but the baker saw a significant slowdown last month as storms kept customers away.

Pre-tax profits rose to £108.3m from £82.6m in 2018, the company said.

SCARED PUBLIC PANIC BUYING

SHOPS have seen a surge in panic buying fuelled by the coronavirus crisis – and supermarkets have now drawn up contingency plans to 'feed the nation' in the event of a sudden escalation.

With two chains already rationing sales, a former Tesco executive said a major outbreak in Britain would 'quickly lead to empty shelves and food riots'.

Ocado has warned customers it is

running out of home delivery slots due to 'exceptionally high demand' and 'particularly large orders'.

Waitrose reported 'seeing more demand for cleaning products and hand sanitisers' and Tesco's website has sold out of hand gel.

Lidl said it is 'experiencing a significant increase in demand for durable products and disinfectants'.

Sales of hand sanitiser across all supermarkets has more than tripled.

ROXANNE: I'M JUST LIKE MEGHAN!

UK EXIT:
Meghan,
Harry and
Roxanne

ROXANNE Pallett said she felt “hounded, ridiculed and vilified” in the UK after the *Celebrity Big Brother* “punchgate” storm.

That’s why she can “understand” why Meghan Markle wanted to leave the country and praised the Duchess of Sussex’s “inner strength” for doing so.

Former *Emmerdale* actress Roxanne was at the centre of a firestorm during her time on the reality show in 2018 after she alleged she had been assaulted by housemate Ryan Thomas.

Roxanne was heavily criticised for accusing soap star Thomas of punching her – a claim she later said was “massively wrong”.

Bullies

The 37-year-old, who travelled across America last year, told *Closer* magazine: “I didn’t feel welcome in England.”

“I was hounded, ridiculed and vilified for over a year.”

“I felt like the country was against me. For a long time I felt exiled and was being told to disappear by online bullies.”

She said she can identify with Meghan

and husband Prince Harry, who have stepped back from their roles in the royal family and will spend much of their time in North America.

Roxanne said: “In a way, I can understand why Meghan left. I’m so happy she’s had the inner strength to say, ‘I’m not happy here, let’s make a change’.”

Roxanne, who married fireman and wrestler Jason Carrion in January, insists she is now much happier.

She said: “I think taking a step away from showbiz has been the biggest saving grace for me as it’s brought better people into my life.”

MILEY’S NEW NUDE

SEXY Miley Cyrus has a new Tattoo – of a naked woman!

The *Slide Away* singer showed it off on Instagram – a Henri Matisse silhouette of a nude woman on the back of her arm. Matisse was a French artist known for drawing nudes.

Miley, 27, captioned her video “Dance me to your beauty with a burning violin. Dance me through the panic till I’m gathered safely in. Touch me with your naked hand or touch me with your glove. Dance me to the end of love. Matisse X Cohen”.

What would fellas like to give Countdown Rachel?

COUNTDOWN stunna Rachel Riley looks like she's been doing what a celebrity contestant spelled out on the show's board. Maths whizz Rachel, 34, had to hold in her laughter when guest star Rory Bremner made out the word "screwing" from the consonants and vowels available.

Rachel was sporting a huge baby bump in the pre-recorded show but she's since given birth to a daughter. Other contestants spelled out "creasing" and "swearing" but comedian Rory suggested a far more appropriate word on the show, which was screened on Monday.

Schoolgirls shock rocks Paxo's box

TV presenter Jeremy Paxman has revealed he has kept a box full of old death threats, break-up letters and "shocking suggestions from schoolgirls".

The ex-*Newsnight* host has a stash of old mail ranging from "deranged rants from the clearly insane" to photos of old girlfriends.

Paxman (above), 69, found the old box while spring cleaning and shared some of the rude letters. *The University Challenge* host said he used to receive lewd comments from young girls and "some pretty blunt death threats".

He said: "You sick bastard" one begins, after I'd been overheard asking an Iclander what smoked puffin tasted like. "There were some proposals of marriage, some shocking suggestions from schoolgirls, well-argued angry letters from the apparently sane, deranged rants from the clearly insane...and there were some quite heartbreaking letters from break-ups."

Nudists demand legal protection over hate crimes

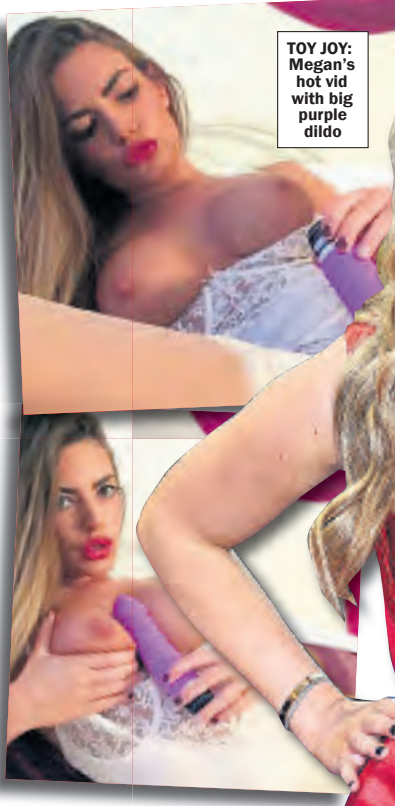

NUDISTs are calling for protection under hate crime laws.

British Naturism wants the right to strip off in public to be recognised as a "philosophical belief".

Group president Mark Bass said they were campaigning for the change "so we are not abused in our day-to-day lives".

He said: "These days we all agree that shouting abuse at somebody because of the colour of their skin, their sexual preference or their religion is not acceptable. "Yet naturists still receive that type of abuse based on their dress code. We are not asking that people should be forced to be naked, but everybody should have the freedom to choose how they dress, including if that choice is to wear nothing at all."

ANIMAL LOVER: Anne was found dead at shelter

BRIT 'EATEN ALIVE BY STRAY DOGS'

A BRITISH woman found dead at a dog shelter in Egypt may have been mauled to death by animals she cared for.

The badly bitten body of Anne Johnson, 61, was found in the Red Sea city of Dahab.

Cops called to the scene say she was attacked by three dogs which bit her on the face and neck while she was going to feed them.

Collapsed

But a friend believes Ms Johnson actually fell unconscious while going to feed the animals and was bitten after she collapsed.

She was found by workers at the shelter with lacerations to her neck while lying next to a bag of food.

By **COLIN HURST**
news@sundaysport.co.uk

Her remains have been sent for forensic examination and an official cause of death has not been given.

Ms Johnson – known to her friends as Janet – lived in Egypt for 16 years, working to save stray and abandoned animals.

Her shelter was funded by a UK-based non-profit group which accepted donations via a website.

It is thought she

ran the shelter largely single-handed.

Friends and family are trying desperately to re-home the animals – which included cats, rabbits, horses and a donkey.

A friend said those who knew Ms Johnson 'utterly refute' that she was attacked by the dogs.

They believe the Egyptian police are using her death as an excuse to get rid of the rescue shelter, which was unpopular with locals who are fearful of stray dogs.

Ex-EDL leader arrested at Center Parcs

TOMMY Robinson has been charged with common assault after an "altercation" at a Center Parcs swimming pool.

Police were called to the holiday camp's Woburn Forest site on Sunday after a guest suffered a facial injury.

They arrested a 37-year-old man at the scene, while

the injured man received first aid.

Bedfordshire Police said the arrested man had been bailed until 2 April to appear at Luton Magistrates' Court.

The ex-English Defence League leader (right) – whose real name is Stephen Yaxley-Lennon – released a video saying he had been arrested.

STAR SECRET OF LOVE ISLAND BABE'S EX

MEGAN MADE SAUCY VIDS...BUT NOTHING LIKE THIS!

By JAYNE FERGUSON
news@sundaysport.co.uk

A TYCOON who boasted of his steamy affair with Love Island babe Megan Barton-Hanson has an X-rated secret.

Paul Chaplin is a secret HARD CORE porn star – who banged a string of gorgeous models on camera while boss of grumble outfit Bluebird Films.

The randy businessman was filmed in XXX-rated ORGIES, in which he shagged up to FIVE stunnas in high-end porno movies starring *Sport* favourites including Natasha Marley and Gemma Massey.

And Chaplin wasn't just having it away with models on screen, either.

He also dated *Sport* babe Natasha Anastasia and was later involved in a complicated court case after the pair split.

Fun

Chaplin, 56, claimed last week to have had an 18-month romance with Megan, 25.

He said he gave her a £30,000 Land Rover and handouts towards an apartment.

"I helped Megan with an apartment, I don't know how much it cost," he said.

"It was a two-bedroom, 1,500-square-foot apartment."

"I got her a Land Rover Evoque and I would take her shopping whenever we met."

"I don't know how many pairs of Louboutins I bought her and it wasn't just them, it was Jimmy Choos and everything else."

"When I meet a girl for

they swapped numbers and later enjoyed a dinner date.

Paul admitted to seeing up to half-a-dozen women in the same year as Megan, but she was the only one who he would treat to holidays and trips on private jets.

Paul, a former lawyer, reportedly went bankrupt after he failed to give back creditors £16million.

The couple dated the year before Megan found fame on *Love Island* in 2018, where she struck up a short-lived romance with Wes Nelson.

Dildo

Paul – real name Paul Baxendale-Walker – is now a qualified Cognitive Behavioural Therapy practitioner.

He has just released a self-help book called 'I Want to Love But: Releasing the Power of You'.

A pal of Megan said: "Obviously when she was a webcam model, Megan made some pretty fruity vids, including that one with the big purple dildo."

"But she's not made anything as hardcore as the stuff Paul's made."

"You can see it going in and everything."

GEMMA'S HARRY POTTER SEX WITH RANDY PAUL

ONE stunner who enjoyed a bit of Paul's length was Gemma Massey, who starred in a string of Bluebirds movies.

Perhaps the most explicit was one called *Harry Pointer*, a high-end porn spoof of the *Harry Potter* movies.

In it, Gemma plays one of the student wizards and wears a sexy Hogwarts-style uniform.

But that doesn't stay on long and

soon Gemma's whinnied off her top to unleash her giant 32G busters, which are sucked and nuzzled by her fellow fake Hogwarts girls.

Then Paul strides in with his pecker as stiff as Harry Potter's wand.

And before you can say "Labia partium", Paul is driving his hard shaft into Gemma's moist, mysterious depths.

Fans can see that Gemma has an

intimate piercing. She rides hunky Paul's stiff prong cowboy-style and as he reaches climax, the stud whips his cock – dripping with Gemma's juices – out of her hot minge and hoses down her pretty face with his hot spunk.

A fan of Gemma said: "That girl can take cock – and she clearly likes the taste of spunk."

"Paul's a lucky guy."

Beeb's Radio host becomes new Joe Lycett

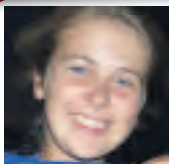

A BBC radio presenter has changed his name by deed poll to Joe Lycett after the popular comedian legally changed his own name to Hugo Boss.

Lycett (above), 31, is now officially known as Hugo Boss as an attack on the German luxury designer for using trademark claims to target small businesses and charities who also use "boss" in their branding.

Following this, BBC West Midlands DJ Danny Kelly has adopted the comedian's former name, with a post on the station's Twitter page saying: "Meet Joe Lycett the new Mid Morning presenter on BBC WM. Danny has completed his deed poll application."

The comedian formerly known as Lycett, said he would be "launching a brand new product as Hugo Boss" on a new series of the Channel 4 consumer rights show *Joe Lycett's Got Your Back*.

AS GRETA BRINGS HER CLIMATE CHANGE

BRISTOL

THE city whose name is synonymous with women's breasts has been soiled by the antics of so-called eco-warriors.

Now hundreds of people have called for the organisers of weirdo Greta Thunberg's recent climate change rally to pay for the horrendous damage it caused to green spaces there.

Around 15,000 people are believed to have attended last Friday's Bristol Youth Strike 4 Climate rally, churning up College Green into mud.

March

A fundraiser has been now been set up for repairs, which has resulted in calls for rally organisers to cover the costs.

Swedish climate campaigner and Asperger syndrome sufferer Greta, 17, gave a scripted speech on the green before leading a march around the city.

But the stunt has cast an environmentally unfriendly stain on Bristol, one of the jewels of the south west.

The city is famously home to Isambard Kingdom Brunel's Clifton Suspension Bridge and one of the nation's most recognisable west country accents.

It's also rhyming slang for breasts, particularly large ones, as in Bristols = Bristol Cities = Titties.

By COLIN HURST news@sundaysport.co.uk

Not surprisingly then it is also home to some of the country's top stunnas, like glamour girls Cathy Barry, Michelle Thorne and Sky Bee.

Other famous Bristol faces include porn legend Linzi Drew – mum to *Outnumbered* star Tiger Drew-Honey, 24 – and actresses Tuppence Middleton and Alice Evans.

One fuming city insider said: "Bristol is famous for more things than a swivel-eyed eco-warrior from Stockholm bleating on about things drip-fed into her ears."

"She's not right, is she? Never mind planetary climate change strategy – I wouldn't let her run a bath."

"Besides, shouldn't she be in school along with the rest of the whining little snowflake brats?"

GROPING COP GETS THE SACK

GUILTY: Humpston

A SEX pest cop has been sacked for groping female colleagues while on duty.

Sgt Bruce Humpston was booted out of West Midlands Police over the harassment of six staff. Humpston, 41, who was found guilty of assault in January, was dismissed without notice.

The custody sergeant made X-rated comments towards female colleagues and "inappropriately touched some" as they tried to work, the force said.

Humpston was originally charged with sexual assault but later pleaded guilty to battery. He was fined £450 and told to pay costs.

He was this week hauled before a police misconduct hearing and yesterday dismissed for gross misconduct by Chief Constable Dave Thompson.

Distress

Supt Jane Bailey, of West Midlands Police's Criminal Justice Services, said that, "Humpston's behaviour was completely unacceptable."

"His actions caused significant distress to the staff who were subject of his behaviour."

"He had a duty to create a safe working environment for his staff, but his behaviour made colleagues feel uncomfortable and intimidated."

Last year, a top officer was allowed to resign

just days before facing the sack for romping with a colleague.

Insp Andy Grand's resignation meant he kept his £40,000-a-year pension from Sussex Police.

Grand, 53, harassed female colleagues by groping their bottoms and making lewd comments.

He told one disabled colleague who used a walking stick: "I could kick that away and I'd fall on top of you."

He was also caught engaging in sexual activity with a colleague at work, including on at least five occasions while on duty.

Surrey Police said he would have been fired had he not already quit.

Tornado trashes Nashville

AT least nine people have died after two deadly tornadoes struck Tennessee, including one that ripped across Nashville and caused about 40 buildings to collapse.

Police pleaded with people to stay indoors, at least until daybreak could reveal the dangers of a landscape littered with rubble from walls and roofs, as well as snapped power lines and downed trees.

Schools, courts and transport lines were closed as authorities searched the wreckage for injured people.

Naked man was 'performing sex act' in garden

A MAN seen sunbathing naked in a garden claimed a vest covering his genitals had slipped.

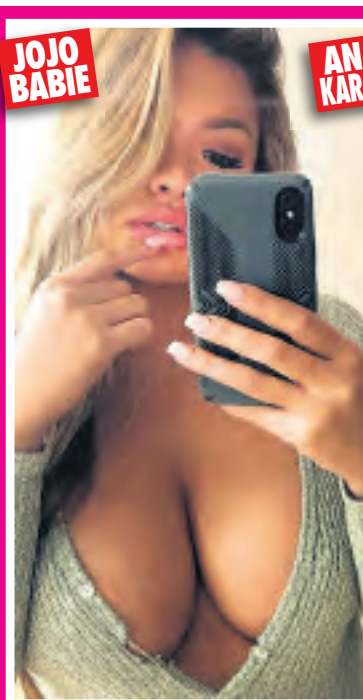

A jury at Bolton Crown Court heard how a young woman noticed Matthew Walmsley, 36, in a neighbouring garden.

The woman told the court how Walmsley, sitting in a chair in his friend's garden, was naked and performing a sex act on himself.

Walmsley, who later claimed he had drunk one and a half bottles of wine, is said to have hurled a barbecue lid, other items and loose concrete at the woman.

A jury was told that one piece of concrete hit her on the head, leaving a large lump.

Walmsley, of Smithills, Greater Manchester, denies exposure, actual bodily harm and affray. The trial continues.

MONSTER'S SEX WITH PAL'S ROTTWEILER 'Sicko' took photos of abuse

A PERVERT who sexually abused a friend's Rottweiler while looking after the animal has been caged.

Andrew Flanagan was exposed after he photographed the animal abuse – in which he forced the dog to engage in a sex act with him.

Police also revealed that he had in his possession a haul of banned images of child sex abuse.

Flanagan, 37, had already admitted six counts of making and distributing indecent images of children, as well as two counts of possessing extreme pornography and causing a serious sexual offence with an animal.

The offences all took place in Oxford between October 2017 and September 2018.

Police seized electronic items, including smart phones and a laptop, and Flanagan told officers he "knew immediately why they were there".

A subsequent investigation of the equipment found a haul of indecent images of children and animals being sexually abused.

Four images were found depicting Flanagan engaging in a sex act with the dog he had been looking after for a friend.

Prosecutors said at the sentencing hearing that Flanagan was caring for the

dog while the owner was at work and there was no indication that they knew of the abuse being dealt to the animal.

Searches also revealed deliberate hunting for indecent images, which the judge referred to as "systematic searching" for disgusting images online.

Officers also found that Flanagan had read online local newspaper articles about previous offenders being sentenced for having indecent images.

Defence barrister James Reilley said his client suffered with "extreme and severe depression and anxiety" and was taking medication for a diagnosis of HIV.

Mr Reilley added that Flanagan was "clearly extremely sick" and was "terrified" at the prospect of going to prison.

Sentencing, Judge Nigel Daly said: "These images will never go away and they will be there for as long as we have got the internet available."

Flanagan sobbed as he was jailed for 30 months and told he must also sign the sex offenders' register for life.

Prem ace lbe in driving ban

PREMIER League footballer Jordan Ibe has been banned from driving and fined £7,500 after crashing his Bentley into a coffee shop and driving off, causing thousands of pounds of damage.

The Bournemouth winger, 24, also struck a Mercedes car when he smashed into The Pantry on Plaistow Lane in Bromley, south east London, shortly before 5am on July 30.

Ibe admitted a charge of careless driving and was found guilty of one count of failing to stop after an accident at a court hearing in February.

The former Liverpool and Wycombe Wanderers ace got a 16-month driving disqualification and a 12-month community order at a hearing at Bromley Magistrates' Court yesterday.

IF YOU WANT TO CHEAT... GET A SECRET PHONE!

By JAYNE FERGUSON
news@sundaysport.co.uk

THE top ten ways that cheats are caught out by their partners have been revealed in a new survey.

Women are most likely to get caught out by their partner checking who they have been calling on their mobile.

Male cheats are also most likely to get snared by their phones – but it is sexy text messages or pictures which catch them out.

The results are from a survey of 2,000 people by IllicitEncounters.com, the UK's leading dating site for married people.

It found that twice as many women as men are prepared to do their own detective work to uncover an affair.

More than half of women polled (56%) said they had made secret checks to uncover a partner's affair, compared to 29% of men.

Kissing

The second most likely way a woman's affair will be uncovered is through their partner spotting a stubble or beard rash on their chin where they have been kissing their lover.

The third most popular way women's cheating is exposed is by their own confession.

The second most common way for male cheats to be exposed is when their partner smells a lover's perfume on their clothes.

The third most common way is when their lover finds secret emails to their lover.

Hamsters found dumped in hedge

HAMSTERS stuffed in takeaway food containers have been found dumped in a hedge.

The 20 creatures were spotted by a dog walker in Darlington on Sunday.

Volunteers for the National Animal Sanctuaries Support League in Newton Aycliffe said the animals were "traumatised" but in good health and needed to be re-homed.

Spokeswoman Pauline Wilson said it was "bizarre and heartbreaking," adding that it was only luck they were found after a dog sniffed the boxes which alerted its owner.

She said the public response was fantastic and all but four had been found new homes.

COW SHITE DUMPED OVER VICTIM'S HEAD

A MAN was arrested after dumping a bucket of cow shit over the head of a victim.

Jose Ramirez-Callejas, 47, attacked the victim at a dairy farm.

The complaint does not indicate whether Ramirez-Callejas or the victim work at Spoto's Palm River Dairy in Crystal Springs, Florida.

Police say Ramirez-Callejas "scooped the cow manure into the bucket and dumped it over the victim's head."

Ramirez-Callejas (left) reportedly admitted to cops that he doused the victim.

An officer reported seeing "cow manure on the victim's forehead and leg".

Ramirez-Callejas, of no fixed abode, was booked into the Pasco County jail.

His criminal record includes convictions for battery, aggravated assault with a deadly weapon and probation violation.

ATTACK OF THE LUST-CRAZED SEX BOTS!

By JAYNE FERGUSON news@sundaysport.co.uk

NOOKIE robots could become crazed with lust and use their mechanical strength to go on uncontrolled SEX RAMPAGES!

That's the warning from one of the world's top artificial intelligence boffins, who says that male and female sex robots need careful limits imposed on their programming.

Dr David Levy also thinks bots will eventually have their OWN sexual desires as part of their artificial intelligence (AI).

The computer science professor said: "It makes sense for us to debate what should be the boundaries for consent given by humans to robots.

WORRIED: Dr Levy

"When, in a decade or so, a sophisticated sex robot indicates to a human partner that it is in the mood for sex, what will be the moral, and legal, boundaries involved in its human partner's response?"

"I consider the issue of human consent in the context of a heterosexual male-bot that expresses a desire for a human, female partner."

"The strength of a male-bot's AI libido will

Boffin warns randy love dolls could cause havoc

be one of the factors affecting how often, and in what ways, it intends to initiate intercourse.

"The factor will need to be moderated by the constraints of whatever consent policy has been programmed into the robot."

He continued: "It is clearly going to be a non-trivial task to teach robots how to navigate appropriately through sexual scenarios and how to behave

when a woman is not explicit in expressing her consent or refusal."

Sex robots are now in demand around the world.

But Dr Levy also fears robots will be hacked by sinister groups intent on wreaking havoc.

"There are so many malicious people around, not only terrorists but people who think it's great fun to cause a hospital to close down for one or two days by cutting the electricity supply," he warned.

"The worst case scenario is that the hackers, whether terrorists or just malicious people, create havoc and cause massive loss of life and pain and destruction."

Petition to curb 'bullying' media after Flack death

A PETITION calling for curbs on the British media in the wake of TV presenter Caroline Flack's death has been handed to the government.

More than 850,000 people have signed up to support a so-called "Caroline's Law", which would make media bullying and harassment a criminal offence.

The petition, set up following Flack's reported suicide last month, was delivered to the Department for Digital, Culture, Media and Sport (DCMS).

Holly Maltby, of campaigning group 38 Degrees, said the media should be "held accountable for the way they harass and vilify people".

She said: "Politicians need to urgently step in and make sure there are consequences when the media bully and harass."

At the time of her death, former *Love Island* presenter Flack (above) was under media scrutiny as she awaited trial for allegedly assaulting her boyfriend.

STUDENT NICKED FOR 'GRANNY TRANNY' HOOKER KILLING

A STUDENT arrested over the death of an OAP transgender hooker disappeared from a business school without warning in the days after her death.

Hector Valencia, 20, was arrested on the Caribbean island of Aruba last week over the death of Kimberley McRae (right).

The 69-year-old transgender woman's body was found inside her apartment in Sydney, Australia, on January 14.

She advertised her services as "Hot Granny Tranny".

The death shocked residents of the beachside suburb.

Valencia had lived in Sydney since mid-2019

The Commonwealth Attorney General's office is in the process of trying to have Valencia extradited to Australia to face charges over Ms McRae's death.

'Sex-cult' dad 'made million from victims'

A MAN accused of running a sex-trafficking cult that manipulated his daughter's college classmates made over a MILLION by forcing victims into prostitution, a court heard.

Lawrence Ray (above), who allegedly abused five students at Sarah Lawrence College in New York, kept records of the cash his victim made, prosecutors said.

One document showed the unnamed victim handed over around £500,000 in 2017, while another said she passed on over £800,000 in 2018.

The two ledgers showed the dates and the amounts paid, and prosecutors have said they have matched this information to text messages by Ray, 60.

Ray, of New Jersey, who set himself up as a therapist to daughter Talia's college pals, had bail denied in a court on Monday.

He is charged with sex trafficking and extortion.

700 cops' raid on traffickers

MORE than 700 cops have raided homes and businesses in a crackdown on human trafficking.

The raids focused on 13 suspects, all Vietnamese, who were alleged to have illegally trafficked at least 155 of their compatriots.

Investigators allege the traffickers charged people up to £16,000 to smuggle them in to Germany, and that many of them worked in nail parlours, restaurants or sweat shops to pay back their debts.

Tundidor

TURNED OWN SONS

It's a miracle that Linda Morrissey made it out alive.

Her home was ablaze and her husband Joe lay dying on the living room floor.

Linda herself could only watch from her bed, bound by the feet and wrists and unable to move.

Next to her sat her terrified five-year-old son Patrick, a child they had adopted as a baby from South Korea.

The youngster had heard the screams of his father as he was stabbed in the stomach, head and neck by Randy Tundidor following a petty row about rent.

And, as the flames licked at the lifeless body of his father, it was brave little Patrick who saved Linda's life.

By **BRAD CHADWICK**
news@sundaysport.co.uk

Braving the fire, he ran into the kitchen, found a pair of scissors, raced back and cut his mother free so the pair could escape onto the patio of their home in Fort Lauderdale, Florida.

For Linda, Patrick is simply her 'hero'.

With Patrick safe, Linda dived back inside, grabbed her husband and dragged him out.

She struggled as her feet lost traction on the slippery kitchen floor. It was her husband's blood.

But her efforts were all in vain. Joe, a man who had devoted his life to finding a cure for cancer, was already dead.

Now Linda, 53, has to live with the perpetual torment while Patrick, now 12, is plagued by post traumatic stress.

Crazy

As Linda explains: "Patrick goes really crazy when there's a fire alarm drill at school. You can't hold him down. He just starts running."

Patrick would write letters to his dead dad, asking, 'How are you doing in heaven? I love you so much. I miss you, Daddy.'

Even tiny things set Patrick's nerves on edge.

When Linda bought her son a Buzz Lightyear action figure, he was freaked out by the tiny twist ties that attached it to the box.

They reminded him of the plastic cable ties that had bound his mother and father on that fateful night.

When Tundidor was finally sentenced to death in November 2014, Linda rejoiced in the sentence – the only one

that could let her start to rebuild her life.

"Joe would give me bear hugs every day," she said. "The memories are hard to endure."

"My son and I will forever live a life in prison. We can't forget the sights, sounds and smells of that night."

"Now we quietly stay indoors. We think the bogeyman is going to come back to finish the job."

Linda and Joe had met at the Goodwin Institute for Cancer Research in Plantation, Florida, where she had been studying microbiology and he had been conducting research prior to becoming a lecturer at Nova South Eastern University.

Following a whirlwind romance, Joe proposed to Linda in Rome and the pair were married in 1997.

The besotted couple tried for several years to fall pregnant before they finally decided to adopt a child instead.

Joe was everything Patrick could want in a father. A keen waterskiier and fisherman, he hand-built his own boat in the garage so he could take his son out on the water with him.

Linda and Joe enjoyed a lifestyle unburdened by money worries, with the pair bringing home in excess of £350,000 a year between them.

But in December 2009,

Joe made a decision that ended up costing him his life – he leased a rental property he owned to Tundidor.

A shady businessman who ran a car window tinting business called Gator Tint, Tundidor moved into the property with his fiancée Hilda, her children and mother, and one of Tundidor's sons, Shawn.

And he decided that if he did 'repairs' on the property, he could reduce his rent payment – despite never asking Joe permission to do so.

When Joe questioned what he was doing, an argument ensued.

It resulted in Joe asking the Tundidors to leave because they were in breach of contract.

Scare

Tundidor was wild with rage. He told family members, 'Nobody f**ks with me and gets away with it.'

He forged a plan with his then 24-year-old son Randy Jr to 'scare' Joe.

At around 11pm, the pair slipped into the Morrissey home through an open window.

They proceeded to bind Joe and Linda with cable ties but, mercifully, left Patrick sleeping in his room.

Joe and Linda were then driven at gunpoint to a cash machine and forced to withdraw \$500 to give to their captors.

DOTING FATHER:
Tragic Joe Morrissey

LUCKY TO BE ALIVE:
Linda was saved by son after Tundidor and Randy Jr (above) left them to die

Morrissey home, Randy Jr assumed they would simply slip away into the night with the cash.

But Tundidor suddenly announced to his horrified son, 'They have to die'.

Court documents reveal: 'Randy Jr argued with Tundidor but ultimately gave the gun to him.'

'Randy Jr entered the master bedroom and first bound the Morrisseys' feet with zip ties. He then forced Joe to hop to the living room.'

'With gun in hand, Tundidor then put a pillow to Joe's head and pulled the trigger, but the gun jammed.'

'Tundidor gave the gun to Randy Jr and retrieved a large knife. Wearing gloves borrowed from his son, Tundidor stabbed Joe in the stomach. Joe begged for his life as he was being stabbed.'

'Eventually Joe stood up, bleeding from the stomach and hands. Tundidor swung the knife at his head and neck, making contact, and Joe fell to the floor.'

Hearing his father's screams, young Patrick came into the room.'

He was met with a sight from his worst nightmares.'

The Tundidors then went into the garage, found a petrol container and began emptying it around the house.'

The court documents reveal: 'Tundidor said he wanted to kill Linda

and Patrick, too. Randy Jr protested, angering his father, and left the house.'

'Tundidor then lit a fire near Joe and followed his son, leaving Linda and Patrick in the bedroom.'

'Linda had her hands tied behind her back and her feet tied together but Patrick was unrestrained.'

After escaping, Linda

immediately called the police. An officer who responded said he found the house filled with smoke and Joe with his hands and feet bound, covered in blood, lying on the back patio.'

Tundidor and Randy Jr decided to lie low. But when Randy Jr was arrested on April 7, 2010, what happened next shocked everyone. He very quickly

decided to inform the police about the atrocities his father had committed.

And Tundidor's other son, Shawn, agreed to wear a police wire in order to snare his father confessing to the grisly crime.

When Tundidor's trial finally got under way in March 2012, Randy Jr's confession left a courtroom speechless.

He said: 'My dad grabbed Joe and threw him on the couch. He had the gun to his head. "I told him to calm down but he gave me a 'shut up' look.'

Begging

"If I could have stopped it I would have, but it's hard to stop someone with a gun in his hand."

"The gun jammed. I was looking at the gun and when I looked up I saw he had a knife in his hand and was walking toward the couch."

"He stabbed him in the stomach. I only saw him do it twice – I couldn't look."

"Mr Morrissey was begging for his life. He was saying, 'Please don't kill me, I have kids'. I was in shock."

Randy Jr told the

court: "Mr Morrissey eventually stood up. He had blood on his hands."

"Dad swung the knife into his neck and head area. He fell down."

"Then Dad gave me the knife and told me to put it away."

In December 2012, Randy Jr was sentenced to 40 years, having pleaded guilty to second-degree murder and kidnap.

Two years later, Tundidor got the ultimate penalty for his role in the crime – the death sentence.

But the nightmare endures for Linda and Patrick.

She said recently: "If I start thinking about it, I don't know how I'm even functioning. I really don't know."

"I don't know how my son functions. But we will make it."

"Patrick is my hero. I can't really go into the details but he's my hero."

Linda is determined not to be beaten, though.

She added: "Those people took my husband's life, but I am determined that they are not going to take my life, too."

"I have my son. Together, we will be okay."

'I HAVE A FETISH':
Hamilton

A HOTEL worker stole 1,047 pairs of women's and girls' bras and other underwear.

Sultan Achmed Daniel Al Hamilton, 37, crept into rooms rented by women and young girls and stole underwear to add to the massive stash he kept at his flat.

Police say he stole female underwear "for his own sexual gratification" – leaving the victims feeling "violated, ashamed and embarrassed".

Hamilton, who has since stated he has "a fetish", worked as a maintenance man and painter at the hotels and had an electronic pass giving him access to every room.

In October last year, at Rydges at Sydney International Airport, a woman found Hamilton "crouching down behind a bed" in her room.

It later transpired Hamilton stole the woman's bag containing one black strapless bra, one nude bra and pair of underwear, six pairs of lace underwear in white, black, blue, purple and red, four pairs of black underwear, a sports bra and three pairs of socks.

In January 2018, Hamilton went into a room at Sydney's Ibis Hotel in World Square which was being used by a woman and

her daughters aged 17 and 25.

When the two girls returned to the room while their mother went out to dinner and began packing for the next day's check out, they were missing six pairs of underwear between them.

Those items were later located among the 1,047 undergarments in Hamilton's flat.

Hamilton has pleaded guilty to four counts of breaking, entering and stealing with intent to commit an offence, and one count of dealing with property proceeds of crime. He will be sentenced in April.

PARIKER

SEXY Lana Parker isn't bothered whether she has a QUICKIE or goes hell for leather in a MARATHON BONK, just so long as she gets a good shag.

Lana, 25, from Reigate, Surrey, said: "Having sex all night can be so fun and so satisfying, but sometimes you just need a quick release.

"I think it depends on the situation too. If you're in a place where you can only get away with a quick shag, a quickie can be fun.

"But if you've got all night together, I love to take my time and do it all over again."

If thoughts of bonking the blonde bombshell weren't enough to make you hot under the collar, she also wants to film herself in the act.

The 32DD stunna added: "I think it would be really naughty and fun to film myself and a guy having sex.

"And then we could watch it back together."

Meat-shy faddy eaters are tops in the bedroom

Famous veggies

By GRACE HOOPER news@sundaysport.co.uk

FORGET the pasty skin, dreary political views and tie-dye sarongs – going vegan can apparently do wonders for your sex life!

But the results of a new survey are not great reading for meat eaters, who are branded "selfish" in the bedroom.

The majority of vegetarians – 57 per cent – said they make love three to four times a week, while most meat-eaters only enjoyed action between the sheets once or twice.

Nearly 84% of vegetarians report that they are satisfied in their sex lives, compared to only 59% of meat-eaters, the report says.

Nearly 500 vegetarians – of which 38% were vegans – and 500 meat-eaters were surveyed by the UK's largest extra-marital portal, IllicitEncounters.com.

Dirty

"Vegetarians eat foods that are known for their aphrodisiac properties – Maca, fenugreek leaves, ginseng, aniseed," said IllicitEncounters.com's Jessica Leoni.

"A host of different veggies are natural aphrodisiacs that promote sexual excitement."

Vegetarians enjoy kissing, foreplay and dirty talk far more than meat-eaters, she added.

"Now I'm on a plant-based diet, I have more energy and I'm more open to trying out new things," vegan Heather, 39, was quoted as saying.

Plant-based foods are heavy in zinc and B vitamins, which can increase libido.

Bananas, chickpeas and avocados are good for this.

Going vegan can also increase serotonin levels, which can boost sex drive and increase happiness.

Backpacker 'fired over oral sex snub'

A FARMER fired a young British backpacker after she told him she would not have oral sex with him again, a court heard.

The 50-year-old man, who cannot be named for legal reasons, was charged with two counts of rape, sexual assault and deceptive recruiting.

The female traveller was doing farm work to extend her visa in 2017.

She later told a friend: "He asked me to do it [oral sex] again and I told him no and that's when he fired me."

The friend said the young woman later told her she had oral sex with the man twice at the farm in Queensland, Australia.

The committal hearing in Brisbane Magistrates Court continues.

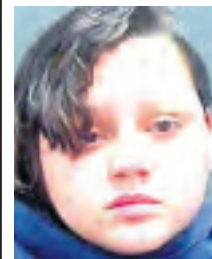

WOMAN 'PUNCHED HER FELLA IN BALLS'

A WOMAN was jailed for punching her boyfriend in the BOLLOCKS after he admitted cheating.

Margaret Cruz was arrested for assault causing bodily injury in the attack on her unfaithful fella.

Police responded to a call to Cruz's home on February 24 and spoke to the couple, who said they had been living together for 11 years.

The victim reportedly told officers that he admitted to cheating on Cruz, who initially reacted by throwing all his clothes outside.

She then allegedly attacked the victim, punching him in the face before taking aim at his testicles at the home in Wichita Falls, Texas.

Cruz (left) continued attacking him, so he had no choice but to punch her once to make her stop.

He added that Cruz's alleged attack was painful, but he did not want to press charges.

Store perv tossed off into ladies' underwear

A PERVERT flashed his cock at a clothing store then wanked off to completion into a pair of women's panties.

Police were sent to the shop after a report of a male exposing himself to an employee.

The victim said she was helping customer Matthew Harbaugh with numerous fittings for women's swimsuits, bras and underwear.

While in the fitting room, Harbaugh, 33, rang a bell for assistance twice, then opened the door to an extent where he could be seen.

Harbaugh then rang the bell a third time, poked his head out, and when the victim stepped into the room, he closed the door behind her.

Harbaugh then gestured towards his penis, showing the victim that he had climaxed into a pair of women's underwear, a police report says.

The victim ran out of the room, and later told police that she "felt horrible, was grossed out and scared".

When confronted by police, Harbaugh admitted to showing the victim that he had ejaculated into a pair of panties.

In court, Harbaugh, of Fairfield, Philadelphia admitted lewdness and was put on probation so long as he attends shrink sessions.

Loony chases schoolgirls in the altogether

A NAKED man called MANKINI chased after three teenage girls and even grabbed hold of one of them as they were walking to high school.

Joshua Mankini, 28, chased the schoolgirls down a street after he had escaped from a nearby loony bin.

It is unclear why or how long Mankini has been a resident at the home.

Mankini admitted to escaping through a window and sprinting across a park to the neighbourhood where the girls were walking.

Surveillance footage from a neighbour's home captured the moment Mankini ran behind one of the unsuspecting girls as she walked by a parked van in Fresno, California.

Cops hauled Mankini back to the nuthouse and charged him with indecent exposure.

BEAUTY AND BEAST? Coffey allegedly bonked student from high school (below)

A PRETTY teacher and assistant softball coach has been arrested for allegedly having sex with a teenage student.

Catherine Coffey is accused of being a school employee engaging in a sex act with a student and engaging in sexual contact with a student younger than 19.

The 22-year-old blonde faces 30 YEARS hard labour in a tough jail if she's convicted.

Coffey is accused of having sex with a teen student from Madison County High School in Alabama.

Brent Patterson, a spokesman for the local sheriff's office, said the sexual contact took place between August and December 2019.

County Elementary for younger pupils.

She has been placed on administrative leave, according to Tim Hall, a spokesman for Madison County Schools.

Coffey received her Alabama teaching certificate in July 2019, according to online records from the state's Department of Education. Investigators learned about allegations of

sexual misconduct and interviewed the student, Patterson said.

Details were being withheld to protect the student's identity.

Hall said the school system is co-operating with the investigation.

"Once our agency received these criminal allegations, a case report was generated and an investigation was conducted," the sheriff's office said.

Coffey has been released on £25,000 bail.

THE WORLD FAMOUS AGONY

Dear Sam,

I HAD to laugh when I visited a pal of mine who's in the sex industry last month.

She said her previous client had been a bloke aged about 75, and though she tried for over an hour she failed to stiffen the eager old chap's limp old chap.

She claimed she'd tried wanking him with oil and even licked his balls, but without any success.

Then she did a striptease for him, talked absolute filth, let him sniff her panties and even sat on his face, but nothing she could do could get the old boy's penis to step up to the plate, as it were.

Frustrated and angry with himself, he apologised and said alcohol was probably to blame and that he had better get hold of some Viagra for his next visit to her.

When she asked him when he'd last had a drink he told her it was when his wife left him...in 1993!

CT, Berks

Sam says...

YOU'VE got to give the old chap full marks for trying.g.

Dear Sam,

THERE is a barmaid in my local who gives blowjobs for a tenner and will let anyone shag her for £50.

I'll be the first to admit it's not the most classy of establishments but I've been going there regularly for years, especially since this lovely, keen and hardworking brunette started behind the bar.

I've boned her five times in recent weeks. It's usually in the gents, and there is always a queue, but she gives excellent value and lets me take my time with her.

I love the way I can cup her massive tits as I back-scuttle her over one of the bogs. She has this lovely technique of reaching between her legs and giving my balls a squeeze, which seems to make me harder and come like an express train.

I'm 60, and have been divorced three times but would love to have her as my new wife.

She's 25, single and has got four kids.

Do you think I should ask for her hand in marriage?

GH, Hants

Sam says...

GO for it. If you don't ask, you don't get!

Missus is calling me out after one night stand

Dear Sam,

I WENT to a fantastic bash last week and ended up shagging a really tasty brunette who was wearing a see-through blouse, a leather mini-skirt and black stockings.

It seems she was he was an old college pal of the party's host and was visiting from London specially.

As I chatted to her it was all I could do to stop myself from staring at her enormous tits, which were braless beneath her top, but I'm sure she knew that.

I moved in close to her and she was immediately responsive, and when I suggested we go upstairs to see if we could find a quiet

bedroom, she was well up for it, discreetly giving my cock a squeeze through my jeans by way of confirmation.

Once we found a bed we stripped off and she went wild for my eight-incher, taking it in all of her lovely orifices.

It was strictly a one-night stand for both of us, because we've both got regular partners, and I don't plan to see her again.

The problem is I left my phone there and my missus wants to know where it is.

HR, Gwent

Sam says...

TELL her it got nicked!

AGONY IS BROUGHT TO YOU IN ASSOCIATION

WELCOME to the World famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice – or experience – than our own Agony Angels! This week SAM TYE has been reading through your letters. And here's her advice for you...

Should I let my chums play with the missus?

Dear Sam,

THE other Sunday afternoon my mate invited me and the lads to watch the footie round at his house.

His missus kept us supplied with snacks and beers and as half-time approached she disappeared up to her bedroom.

When she came back to the living room she was wearing a black PVC French maid's outfit with a tiny skirt and a low-cut front showing off her cleavage – she was absolutely stunning.

Her husband was apparently shocked and went as red as a beetroot at first but he soon joined in the fun.

As she bent down to pick up some empty beer cans he got behind her and lifted her skirt and pretended to shag her doggy style.

"Come on, then, why don't you give me a length," she said as she bent right over so that her massive tits fell out of the front of her dress.

To our shock and amazement he obeyed, unzipping his flies, pulling out his cock, easing down her frilly panties and sliding his erection easily into his clearly aroused missus.

As he pumped away you could see the thrill and lust on her face as she looked at each of us in turn with a really filthy come-on look in her eye.

So as her hubby carried on giving her one from behind I slid over and slipped my hand between her legs.

I stroked her hot, hard clit and at the same time started undoing my jeans.

Sucking

She was keen to help and soon had my stiffening prick out and in her warm, wet mouth, wanking me and sucking at the same time.

At first the other lads cheered us, but you see they too were keen to get involved and were rubbing at their own parts.

Soon there were hands all over her, groping her boobs and fingering her

dripping pussy after her hubby, having emptied his ballbag, settled back on the sofa satisfied and watched his wife get reamed.

She was wanking and sucking off my mates with total enthusiasm, and we all had a turn at shagging her till everyone, including her, had reached a climax. It was a damn sight more fun than the football!

My problem is, am I expected to return the favour, and invite the lads round to mine next time? I'm not sure my missus would be quite as accommodating!

BK, South Yorks

Sam says...

YOUR friend and his wife clearly planned the whole thing all along. You need to sound your wife out first, to see if she likes the idea of shagging other men. She might!

Dear Sam,

Does hubby want me or strippers?

I'VE recently split up with my partner of four years and since then I've been having the time of my life shagging her mother...as well as her younger sister.

The mother is a very young-looking woman and gives the best blowjob you could wish for.

She came round to see how I was feeling after the split and brought some wine.

She let her coat slip open and gave me a saucy grin, and the next thing she was on her knees sucking me off.

We then had sex three times and it was amazing. We've since met for sex regularly but two weeks ago my ex-girlfriend's sister came round and said she knew about me shagging her mum.

She said I'd have to shag her too to keep her quiet, so I soon had her bent over the sofa and was giving her a right good seeing-to.

She said she'd come round the next evening with two of her mates to watch some porn. She did and I shagged each of them – and at one point I had three moist pussies in my face.

All this is costing me a fortune in Viagra and besides, I think I want my girlfriend back.

What can I do?
FD, Essex

Sam says...

IT'S too late to turn back – enjoy it.

Dear Sam,

MY husband went for a night out with his mates to a strip club.

We've been married for eight years and trust each other, so I had no worries about him having an affair or anything like that.

When I heard the key scratching in the lock at about 3am on his return I was just relieved that he'd managed to find his way home OK.

When he got up to the bedroom he started to ramble on drunkenly about how fantastic all the strippers had been and how they contorted their bodies and fiddled with their bits and even played with sex toys while on stage.

Despite all the booze he'd obviously had, he was as randy as hell and slipped his hands straight down to my pussy.

He worked on my clit for a while before sliding first two, then three fingers

deep into me as I found myself getting more and more excited.

Then he climbed out of his clothes and on top of me and went for it.

I was soon on all fours as he rammed into me like never before.

I couldn't believe his incredible stamina as he thrust in and out for ages before we both had huge climaxes.

The next day he said that he and his chums would be going once a month to the strip shows.

I nervously agreed, thinking that at least I would get a real shafting out of it – even if it was only once a month.

But since that visit he's always after me for sex and I reckon when he's giving me a rogering he's really thinking about all those strippers.

What do you think?
MJ, South Yorks

Sam says...

DOES it matter? It's you he's shagging, after all.

#MY SEX FANTASY

...WITH TESS O'REILLY, 33 32E-24-35 FROM GATESHEAD

I ALWAYS get off from thinking about threesomes with myself, my man and another woman.

FFM is one of my favorite porn categories to watch, and I've also had a several of my own.

There's something so super hot about my boyfriend banging me from behind while I'm going down on another girl.

I also love the other woman on her back while my fella is shagging her and I'm upright sitting on her face.

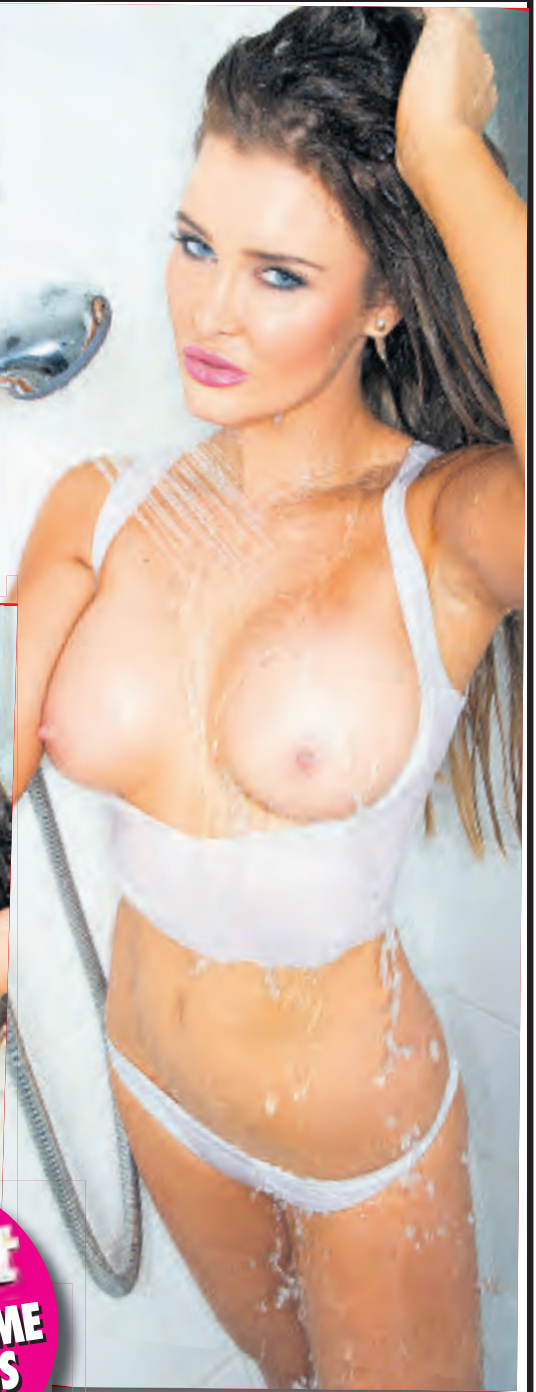

My boyfriend and I can kiss and he can fondle by boobs while we both orgasm.

The idea of three people getting off at the same time is so arousing.

I fancy men *and* women so for me it's the best of both worlds.

Call me greedy I don't care!

'I fancy both men and women – just call me greedy!

IT'S finally time to say goodbye to the creepy Crawleys of Downton Abbey and hello to the horny hotties of buxom Bottomley Manor!

For all you red-blooded fellas who love your porn but are bored to tears by dull *Down on Abby* this is your lucky day.

Released last week, the UK's most highly anticipated adult movie is available exclusively through the *Sport's* adult partner *Private Shops* and, for a limited time they're offering readers another £5 OFF the already low, low price.

Down on Abby is a big budget, full length adult masterpiece starring porn legend Ben Dover and a cast of the hottest adult stars around. It will transport you to Bottomley Manor, home to the Lord Grabhem (played by Ben Dover), his wife (and 2014 AVN nominee) Jasmine Jae, and their two young promiscuous step-daughters, Abby and Fanny.

The Grabhems have invited the Stiffies to dinner and their staff, led by butler Small*** and footman Master Bates, hurriedly prepare to receive their honoured guests.

But during preparations some members of staff have their own ideas of how to make the night go with a bang! As dinner approaches it seems everyone's got more than fancy nosh on their minds. Mind you, there is plenty of noshing as well as lots of other filth that will even cause a crease in Carson's keks.

We see plenty of R18 DVDs at the *Sport* but this one is really something special and one you MUST not miss!

This future classic stars Ava Dalush as Missy, Cathy Heaven as Lucy, Emma Leigh as Betty, Jasmine Jae as Lady Wanda Grabhem, Jasmine James as Fanny Grabhem, Jess West as Lady Stiffie, Lexi Lowe as Abby Grabhem, Ben Dover as Lord Will Grabhem, Big Bad Dave as Smithers and Clarke Kent as Master Bates.

CHESSIE Kay's eye poppin' 28G boobs fill your screen with fun. Find out more about the 26-year-old's hardcore on-screen antics at the new TelevisionX catch-up app **zaucey.com**

FOXES CAN TAKE IT TO THE MAX

THREE FA Cup 5th Round ties this evening and it's, arguably, Spurs' only realistic chance of silverware following their 1-0 defeat at home to RB Leipzig in the 1st leg of their Champions League last 16 tie. Jose Mourinho's side entertain Norwich for a place in the quarters and the Canaries breathed new life into their prospects of maintaining their Premier League status at the end of the season with a richly deserved three points against Leicester City at Carrow Road on Friday.

Spurs have been linked with Norwich's Max Aarons and the young full-back, who was born in 2000, looks sure to be playing Premier League football next term – even if Norwich don't. Spurs were fortunate to win the league game at Tottenham in January and the home crowd will get more and more anxious, following three straight defeats, if they don't find an early goal.

Spurs are 4/7 with bet365 to win in 90 minutes with the Canaries 9/2 and the draw – after 90 mins – at 10/3. Spurs to win and both teams to score is the recommendation at 15/8 with Betway.

Leicester have lost six of their last 11 league games, but they are still, ahead of Manchester City's pending UEFA appeal against their two-year ban, eight points ahead of Manchester United who currently lie in fifth place. As things stand fifth place in the table will be the final Champions League place for next season.

Cameo

The Foxes entertain Birmingham City this evening and Brendan Rodgers' side have not won since their 1-0 win at Brentford in the 4th Round. The Blues are unbeaten in their last 13 games and this promises to be a terrific east v west midlands derby.

Leicester are 1/4 to go through in 90 minutes with Blues, who will take 5,000 supporters to the King Power, 12/1 at William Hill and the draw 11/2. Jamie Vardy missed the defeat at Carrow Road on Friday and is likely to be sidelined, but Rodgers' will have Wilfred Ndidi back following his cameo in east Anglia.

Derby entertain Man United at Pride Park tomorrow with United legend Wayne Rooney facing his former club for just the third time. The Rams put three past Sheffield Wednesday at Hillsborough at the weekend, but remain in the bottom half of the Championship and I would be surprised if United – who may have the rare spotted Paul Pogba on the bench – did not progress after their 1-1 draw with Everton on Sunday.

Bruno Fernandes has made a tremendous start at Old Trafford and the playmaker has 10 goals and nine assists in his 21 league games this season. United are 7/4 to win to nil at bet365 and that is the tip.

PAIR OF FOOLS:
Van Dijk and
Lovren don't go
well together

Klopp's still in Lov with Dejan

LIVERPOOL BOSS DEFENDS UNDER-FIRE STOPPER

JURGEN Klopp says Dejan Lovren was NOT to blame for Liverpool ending their 44-game unbeaten run.

The Reds tasted their first Premier League defeat in 18 months when Watford stunned them 3-0 at Vicarage Road.

Many critics and fans pointed straight to the fact that Lovren was back in the starting line-up for the first time since July.

It's fair to say he didn't have his best game and Watford skipper Troy Deeney admits the Hornets singled him out as Liverpool's biggest weakness. He said: "Van Dijk

By PAUL THOMAS

is a class act, he's top five defenders in the world and it's tough to get anything from him.

"He's 6'6, fast, strong and you try and pick on the weaker of the two – no disrespect to Lovren."

Liverpool's smooth run to what looks like the title has seen Virgil Van Dijk and Joe Gomez form a superb partnership at the heart of defence.

But the England man had a slight muscle strain that kept him out at Watford.

Instead of picking the classier Joel Matip, Klopp went for Lovren – who was

also playing in Liverpool's previous defeat against Crystal Palace.

And that backfired – but Klopp is adamant he did the right thing.

He said: "It's not fair, but that's the world. If anybody gave Dejan Lovren the blame for our defeat then I can't help these people."

Challenge

"A lot of times in my life I speak to people and they know less than I do about football, that's okay as I'm a well-paid Premier League manager and I should know more than most people."

"But on that level, I can't discuss it. You have to see the

situations. Yes, it was a massive challenge for Dejan to play against Troy Deeney. So many other centre-halves in the world would struggle in these specific situations."

"Joe had problems in similar situations before that. Probably everybody gets it in these situations."

"Dejan and Joel played for us in this position sensational games."

"But like everybody in life you have to be healthy and then you have to get fit and then you need rhythm. That's the most difficult thing to get in professional football."

"When you're out, you have sessions but you don't play that often. Dejan is an outstanding centre-half."

SPURS ARE TOO LEAKY

TOTTENHAM have got too many holes at the back to be certain of a top-four place this season.

That's the view of Harry Winks who is still gutted after Wolves put three past the Londoners to beat them at the weekend. The England midfielder was skipping the team for the first time with goalie Hugo Lloris and Harry Kane on the sidelines.

He is upset that he couldn't help steer the side to a win. With the top of the table from third down getting tighter and tighter, losing to the Molineux me could be costly.

Even though Jose Mourinho went for five at the back, there were still gaps galore as the Midlanders came from behind twice.

That's a major worry for Winks, who said: "The top-four run-in is becoming tighter and tighter and we need to start winning games and stop shipping goals because that is going to be our downfall at the end of the season."

"If we take away the goals we have conceded cheaply, we are in a completely different situation and talking about a much more positive outcome."

"All season we have been trying to defend better and concede less."

By JOHN ANTHONY

The problem is not scoring goals. To score two and concede three is frustrating, especially when you're the home team of Tottenham's level. You should be winning the game.

"It is a disappointing atmosphere in the dressing room. It is not all doom and gloom."

"As I said, we are scoring goals, we have got a lot of injuries and we are still managing to create chances and score goals. As soon as we stop conceding, we will be fine."

Wolves was the first in a run of four games for Tottenham against teams right around them in the table.

After taking on Manchester United, Sheffield United and Burnley then comes a crunch London derby against West Ham.

Deficit

Winks is trying to look on the bright side.

He said: "There is no point giving up on the top four."

"We were 12 points off when the boss came in. We managed to bring that deficit shorter."

"We are sort of in and out at the moment, but two or three wins and you are back in the running. It is something that we definitely believe we can do."

Despite the defeat, Winks is looking forward to wearing the Tottenham armband again.

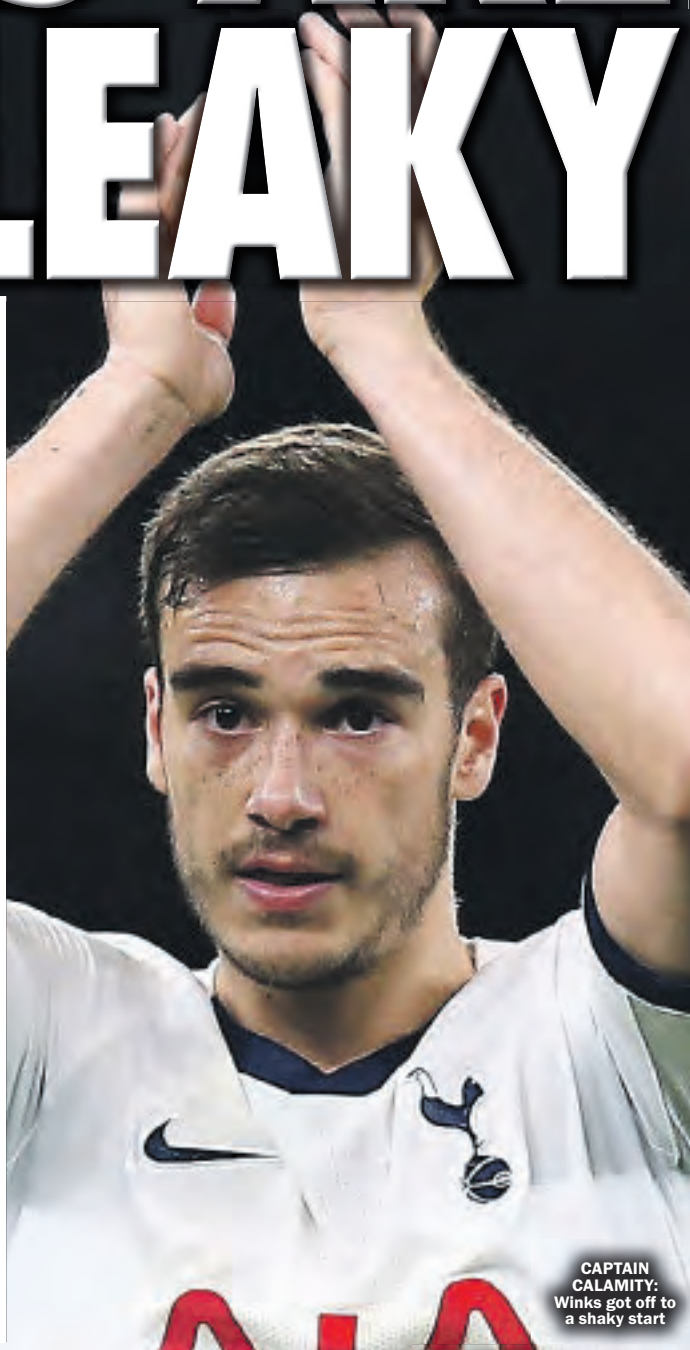

He added: "It was a special honour to be able to walk the team out. I've always dreamed of doing that."

"Before the game, at the team hotel, Jose just pulled me to the side and told me that I was captain and, of course, it was an amazing moment for me and my family."

"Talking about it now it's a lovely honour and a great honour, but when you lose the game it kind of takes something away."

FUMING:
Mourinho

CAPTAIN CALAMITY:
Winks got off to a shaky start

RESTLESS: Haaland

Haaland wants to move like hero Zlatan

SCORING sensation Erling Haaland has given the likes of Manchester United hope that they may sign him one day.

The Norwegian snubbed some of the biggest clubs in Europe to sign for Borussia Dortmund.

He's made a sensational start to life in Germany with an amazing 12 goals in his first nine matches for his new side.

The youngster may have just arrived at Dortmund but he's making it clear that he wants to emulate hero Zlatan Ibrahimovic both by scoring goals and changing teams.

Haaland said: "I like his mentality and how he sees different things."

"I think I've always had that confidence, too – that's just me."

"I also like how he moves from one club to another, in another country – which isn't easy – but he always comes in and just bangs in goals, from the first second. I liked seeing that."

Confidence

"We're both strikers and we're both tall. But we have a different game. It's hard to compare us. I am who I am."

Haaland clearly isn't short of confidence like the great Zlatan either.

He says he isn't surprised to have made such a flying start to life at Dortmund.

Haaland added: "I've been doing this my whole life."

"It's what I wanted to do when I was older. It's what I do. I always knew I'd be a good player, but things have been going fast. I like that speed."

Dortmund got what could be the bargain of the century when they paid Red Bull Salzburg just £18m in January.

Haaland is impressed with what he sees at the Westfalenstadion as they push Bayern all the way for the Bundesliga title.

The Norwegian added: "The most important thing is to achieve something with the team."

"We're capable of everything. The start here has been absolutely fantastic, and the club have helped me a lot – it's not easy to come to a new place in the middle of the season. I already feel at home."

"I liked the whole club, the history, the people in the club and how they run it. We decided Dortmund was the best option. And it is."

DEULOFEU OUT FOR SEASON

By MARK NAYLOR

TROY Deeney says Watford have an extra reason to stay in the Premier League – for Gerard Deulofeu.

The Hornets winger will miss the rest of the season and the club's battle to stay in the top flight.

He was carried off during the 3-0 win against Liverpool at the weekend and needs to go under the knife.

The forward has ruptured his cruciate ligaments.

The news has come as a real blow to Nigel Pearson's men who have lifted themselves out of the bottom three

on goal difference after stunning the runaway leaders.

Deeney said: "It's going to be a real tough one and we wish him well. I said to him that we're going to do this for you."

Pearson added: "Deulofeu is set for surgery after scans confirmed a ruptured ACL and torn meniscus suffered during the first half of our win over Liverpool."

"Unfortunately for him and us, the scan results re-

ally show he is probably going to be out for the rest of the season."

"For sure Geri is going to be a miss for us but equally it's important we look forward with a positive mentality."

"Maxi Pereira went in for Geri and I thought he did very well when he went on."

"It almost goes without saying that we'll give Geri all the support he needs for a full recovery."

Meanwhile, Hornets goalie Ben Foster has confirmed that Watford have not offered him a new contract. The

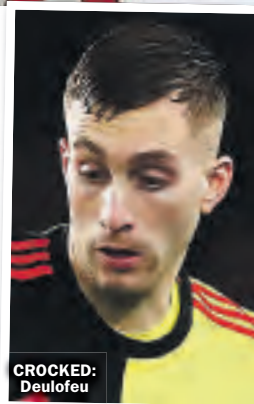

36-year-old has been a regular this season and has been linked with a surprise move to Tottenham on a free.

He said: "I am out of contract in the summer."

"There's been nothing yet from Watford but it's not something I'm really thinking about too much."

"I'm very laid back in general about stuff, and if I was to start getting annoyed or frustrated about not being offered a new contract it just wouldn't help, it wouldn't help me."

"So it is what it is."

summer. His former club want him back while the lacks of Liverpool and Manchester United are also queueing up.

But Dortmund chairman Hans-Joachim Watzke is adamant that there will be no move.

He said: "I don't think he wants to leave. We have a very

confidential relationship between us and him and his agents. We will discuss it.

"It's not a question of money. For us, it would be the best position if he stays at Borussia Dortmund.

"We have enough money. We want to have titles. I think this team has a lot more potential with Jadon than without Jadon."
